

GREETINGS FROM CHILDREN DEPARTMENT

West Valley Christian Alliance Church

Winter
2009

Count our blessings, name them one by one ...

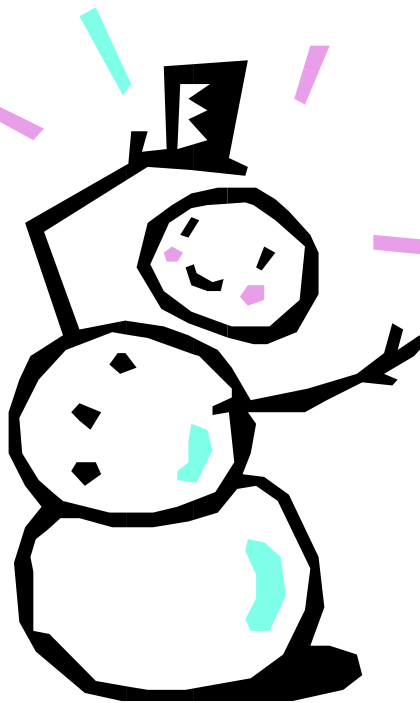

As the year approaches the end, we are so grateful for His endless provisions and your support throughout the year. With such a loving and faithful father watching over us, we are looking forward to another bountiful and fruitful year .

What a blessing to hear children at **Sunday School** singing and praising God first thing on every early Sunday morning Thanks to all the hard working Sunday School teachers.

Children from **SCF** prepared beautiful thank you cards to our missionaries who

work diligently spreading the Gospel to people. Missionary Mo-Ching from Macau was deeply

touched to receive those blessings from our children! What a great way to honor God's servant.

Jesus is the reason for the season!

Mrs. Helena Au will continue teaching children the importance of the Ten Commandments in **Chinese Sunday School** .

May His words root deeply in childrens' hearts.

We will continue to ask God for his protection on little ones at the **Nursery**. Pray that they will stay strong and healthy throughout the winter.
